G. Driver’s Licenses for illegal immigrants

RESOLUTION #40-2019
Re: Opposition to Providing Driver's Licenses to Undocumented Immigrants
Councilman Kolacki motioned and Councilwoman Kline seconded the following:
WHEREAS, New York State is considering provisions that would offer driver's licenses to otherwise undocumented immigrants living in the state; and
WHEREAS, over the past ten years, elected officials from Western New York, including Senator Kirsten Gillibrand and Lt. Governor Kathy Hochul, have openly opposed offering driver's licenses to undocumented immigrants; and
WHEREAS, this policy essentially directs every County Clerk to knowingly break federal laws when approving undocumented immigrants' applications; and
WHEREAS, a driver's license could be used by illegal immigrants for "cover" as Lt. Governor Kathy Hochul once said, by providing them a valuable form of identification, allowing them to entirely avoid federal immigration authorities; and
WHEREAS, the privilege to drive in New York is not absolute; and, violation of other sections of state law, completely unrelated to Vehicle and Traffic laws can have an impact on the validity of one's driver's license; and
WHEREAS, New York law currently allows for the revocation of a driver's license if the person identified has broken another law, like failing to pay child support; and
WHEREAS, a person's willingness to avoid following proper immigration procedure calls into question whether they are willing to avoid following other laws, like reporting their income taxes, purchasing proper insurance, or following New York's vehicle and traffic laws; and
WHEREAS, law enforcement would not be permitted to review the records of an undocumented immigrant who is pulled over in a routine traffic stop, but could do background checks on U.S. citizens creating a double standard; and
WHEREAS, it is the opinion of this body that the privilege to drive legally in New York State should be predicated on the driver being in New York State, and the United States of America, legally.
NOW, THEREFORE, BE IT RESOLVED, this honorable body urges the New York State Legislature and Governor Cuomo to reject the proposal calling for the provision of licenses to undocumented immigrants; and, be it further
RESOLVED, that this honorable body urges the Erie County Clerk follow all federal laws and provide driver's licenses to only legal citizens of the United States of America; and, be it further
RESOLVED, that certified copies of this resolution be sent to Erie County Legislator Mills, Erie County Legislator Rath, NYS Assemblyman Norris and NYS Senator Ranzenhofer.
Councilman Kolacki made the motion. Seconded by Councilwoman Kline at a regular
meeting of the Town of Holland Town Board on June 12, 2019, the motion was passed unanimously.

MINUTES -- BOARD OF APPEALS

The Town of Holland Board of Appeals met on Tuesday, June 11, 2019 at 7 pm. Members present: Willie O’Dell, Dan Lotito, Jeremy Peirick, Barb Reinagel, Mark Messerschmidt and Fran Vaughan. With a quorum present, the Board met to hear the request of the following applicant:

Terry Schott, 120 N. Main St, Holland, NY 14080

Applicant has requested a variance to build a garage on existing property closer to lot lines than required by Code.

Mr. Schott showed proof of notification to all property owners within 200 feet of his property and had a diagram to show the placement of the garage.

The 10’ x 16’ garage would be 5’ from the back property line. The driveway would connect with the existing driveway. The new garage would be used for storage.

After discussion and using the Area Variance Findings & Decision worksheet, a motion was made by Jeremy Peirick, seconded by Dan Lotito to approve the variance as requested. The Board vote was unanimous.

Respectfully submitted,

Diane Doyle
Secretary
MINUTES -- BOARD OF APPEALS

The Town of Holland Board of Appeals met on Tuesday, June 11, 2019 at 7 pm. Members present: Willie O'Dell, Dan Lotito, Jeremy Peirick, Barb Reinagel, Mark Messerschmidt and Fran Vaughan. With a quorum present, the Board met to hear the request of the following applicant:

Todd Engasser, 11104 Blanchard Rd, Holland, NY 14080

Applicant has requested a variance to build a pole barn on vacant property at 9574 Warner Gulf Road prior to a main house. Provisions of the Zoning Ordinance Section 120-51 B.1 states that in any residential district, no garage or other accessory building shall be erected before the main building has started.

Mr. Engasser showed proof of notification to all property owners within 200 feet of his Warner Gulf property and had a diagram to show the placement of the pole barn on the 29 acre property.

The intention for the pole barn would be for storage. A home is planned on the site in possibly 2 years. Due to the uncertainty for building a home soon, the Board felt that there should be evidence that a house would be built at the same time as the pole barn.

As an alternative, it was suggested that Mr. Engasser could go the “hunting cabin” option that requires fewer strict requirements.

After discussion and using the Area Variance Findings & Decision worksheet, a motion was made by Barb Reinagel, seconded by Fran Vaughan to deny the variance as requested. The Board vote was unanimous to deny Mr. Engasser’s request.

Respectfully submitted,
