Peggy Koss – Secretary

Marty called meeting to order at 7:32 p.m.

I. New Business:

- Special Use Permit – Adam Blasdell, residing at 9938 Savage Road, requested a special use permit (attached) to open a small business to repair small engines for lawn mowers, snowmobiles, chain saws, 4 wheelers, dirt bikes, etc. A 36’ x 60’ garage has been erected behind house. This sits approximately 150 feet from the road and nearest neighbor is approximately 500 feet away.

Issues/conditions discussed were as follows:
- Plans meet current zoning requirements – home occupation
- No specific hours of operation – mostly nights and weekends
- No signage at road
- Use existing lighting on building which are motion lights – may add additional larger light. Will be considerate of shining at neighbors.
- Will keep all parts/extra vehicles out of sight, inside building.
- Waste oil will be put in containers and given to another individual for their heating use. All hazardous materials must be disposed of properly.
- Business will do only repairs, no sales.
- Keep berm in front of property
- No excessive noise

After discussion, the Planning Board voted unanimously to recommend that the special use permit be granted.
• Discussed Code Review –
  Marty gave a recap of the Code Review meeting that was held November 18th and
  requested board members to submit any additional code changes prior to the next

Next Planning Board meeting will be held Wednesday, February 5, 2020.

The meeting was adjourned at 8:03 p.m.

11-26-19  Lady from Partridge Road called. She has an older dog which is very sick. She stated it needs to be put down. Told me that she had contacted her veterinarian, however it was extremely expensive to do so, ($300). I suggested she call various veterinarians and get their costs.

11-27-19  Two calls from different people passing by a dead dog along Rt. 16. Said it had been hit by a car and was dead.

11-27-19  I went to Rt. 16 and picked up the dead dog and brought home and buried the dog.

11-29-19  Lady from Hunters Creek Road who found Pittbull Mix on road called. Left a number for me to call her back.

11-29-19  I called Hunters Creek Road lady back. She is interested in adopting the dog. I explained to her length of time I would need to hold the dog before I could adopt out. Also explained about rabies shots and licensing before she could take the dog. We have to wait to see if owner can be found. She agreed to these stipulations.

11-30-19  Lady who was interested in adopting the Pittbull Mix called back to see if I had found the owner. I told her I had not and explained what her next step would be to adopt. She said she was very interested and would be making appointment for veterinarian visit. I explained to her I would take the dog to her vet and her next step would be to go to Holland Town Hall and see Town Clerk for license. She would then be able to pickup her new dog. She said she will call and let me know how she is doing with the procedure.
