Meeting called to order at 7:30 p.m.

I. New Business:

A. Special Use Permit – Jason Kline -- Jason owns property at 53 Garfield Street, Holland. Property currently has an existing apartment house and an old garage on it. He wishes to tear down the garage and replace it with a multi-family dwelling that will meet all current codes for the Town of Holland.

He noted the following:

- Dwelling will be either a 2 or 4-family unit, 720 sq. feet per unit as required by Code.
- New building 50' wide by 30' deep.
- There is one tree in the way that will have to be removed.
- Plenty of parking available. Has 50' clearance front & rear structure. Property has two driveways which will stay.
- Preliminary concept of dwelling, along with property survey submitted.

The Planning Board unanimously recommends that Jason Kline be granted a Special Use Permit for multi-family dwelling at 53 Garfield Street, Holland.

B. Resignation – Kathy Marzolf, Planning Board Secretary – Marty announced that Kathy has resigned due to family obligations and limited time. She has been the Planning Board Secretary for nearly 9 years. If members know of someone that may be interested they can let either Marty or Karen know. All agreed that she will be missed and did an outstanding job!

C. Erie County Water Quality Meeting – Marty will be attending the March 18th meeting. He forwarded information on grant opportunities available from this group to Jill Zientek (grantwriter).

II. Old Business:

A. Radon Gas Kits – Marty will be purchasing 20 radon gas kits from the Erie County Department of Environment & Planning Office to have available for residents to purchase from the Town Clerk. Cost is \$8 per test kit. Residents may also purchase kits on their own using the form found at the Town Hall and on the Town's web site.

B. Old Planning/Zoning Books – Marty brought in two older books on zoning/planning that members can take home and review if they like. He is going to look for newer versions since these are older copies.

III. Meeting adjourned at 8:00 p.m. Next meeting: April 1, 2015.

Respectfully submitted,

Karen Kline
